

Teacher Guide for:

## Presentations on the iPad

Use this guide as you are watching the video to assist in comprehension so you will be more prepared for utilizing the tools.

### Haiku Deck

What is the app used for? Can it be used without an iPad?

Some important things I need to remember to use the app...

What can I do with the app to help me in the classroom?

If students will be using the app, what can I have them do with it?

Something that I can start doing with the app today or tomorrow is...
